

Ingalls Creek Enrichment Center - Update

Alan and Mary enjoying the new railing on the lodge deck

In October we wrote to tell you about a donor who promises to match any donations received up to \$40,000. This is an amazing opportunity to support Ingalls Creek and have your gift be doubled with Matching Funds. We currently have received \$15,000 towards the goal of \$40,000. This means we are well on our way to raise all the funds necessary to complete the lodge by May 31, 2012. A very special thank you to all who donated and pledged! We are so blessed by the generosity of people like you who have partnered with us in this journey. The response has been so encouraging.

*...a place in God's
creation where
YOU really matter!*

Since we last wrote to you...

...so much has happened! We have painted the two dorm rooms, put carpet in the guest bedrooms, installed lights and electrical outlets in most of the upstairs, built a snow shed for the HVAC system, installed a rail for the main deck, and dug a new well. All this is exciting, but there is a lot more to do. The com-

pletion list includes bathrooms, a commercial kitchen, meeting room walls and ceiling, floors, trims, plus furnishings. Main outdoor tasks are the entry road hard surfacing and landscaping. It is a long list however we are blessed with God's provision of skilled volunteers and workers.

How you can help!
