Ingalls Creek Enrichment Center

LEGACY ENDOWMENT FUND

Ensuring Long-Term Sustainability for
Life-Changing Ministry

Faith. Calling. Community.

The Legacy Endowment Fund

Ingalls Creek Enrichment Center gathers people who seek to connect their faith, life, and work in the richness of community, sending them into our changing society with a renewed sense of Christian calling.

Investing Our Values

Jesus told us, "Do not store up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal; but store up for yourselves treasures in heaven...For where your treasure is, there your heart will be also." Matthew 6:19-21

The Legacy Endowment Fund is just that -- your opportunity to convert earthly treasure into eternal treasure by investing in the future of God's Kingdom at Ingalls Creek.

Historical Perspective

The Ingalls Creek Enrichment Center grew from a "gleam in the eye" back in 1980 into a well-loved 15 acre parcel along the banks of Ingalls Creek. The center now features a well-equipped lodge, beautiful log home, gazebo, zip line, amphitheater, creek side trails, spacious lawns, and an inspiring master site plan.

Thousands of people, including groups of all ages, have been touched by God at this site. Feedback includes phrases such as, "we love it here," "what an amazing setting in the heart of God's creation," and "love and grace abound here."

The center began in 1989 with Founding Board Members Alan and Anna Waltar, Steve and Sandra Critchlow, Lane and Gwen Bray, and Roger and Carol Johnson.

The Legacy Endowment Fund, established in 2015, is managed by the Community Foundation of North Central Washington. The CFNCW has a well-established record, now managing over 74 million dollars in assets for charitable organizations, and growing.

Why Give to this Legacy Fund?

- Provide stability when unexpected events occur
- Financially assist start-up programs
- Stand side-by-side with those committed to make a positive impact for the Kingdom of God
- Help ensure Ingalls Creek is available for you, your children, and your grandchildren

The Goal

Our board has adopted a 30 year goal to raise this account to two million dollars, which would provide \$100,000 available annually.
